FORT LAUDERDALE, FLORIDA

OUR PURPOSE

JEWISH EDUCATION IS A BIRTHRIGHT, NOT A PRIVILEGE.

Every Jewish child deserves the opportunity to discover their heritage, develop their talents, and grow with confidence in who they are.

At Landow Jewish Academy, we bring that vision to life through meaningful Torah learning, strong academics, and a school community where students feel they belong.

For many families joining us from public school, Landow opens the door to Jewish holidays celebrated with friends, daily opportunities to practice mitzvos, and a deeper connection to their people and traditions.

YOUR GENEROSITY. THEIR FUTURE.
